

We believe no one should have to give up a pet because they are terminally ill

Our NEW Pet Peace of Mind® program allows patients to complete their end of life journey without worrying about their pet's current or future needs.

All services are provided free of charge, and may include:

- Basic in-home pet care (dog walking, waste clean up, feeding, etc.)
- Funding for emergency pet boarding if the patient must go to the hospital
- Foster care and planning for a pet's future home, provided in partnership with St. Hubert's Animal Welfare Center

Pet Peace of Mind® is a nationally recognized program offered to nonprofit hospices by Senior Pet Care Resource Network (SPCRN). The VNA of Somerset Hills is pleased to be the only hospice partner offering this service in Central and Northern New Jersey.
