

CARE YOU CAN TRUST

The VNA of Somerset Hills helps people live independently and safely in the familiar surroundings of home. Whether supplementing services covered by insurance, or seeking assistance to help a loved one remain home and out of long-term care, our Private Care will meet your needs.

A SAFE AND RELIABLE SOLUTION

Our caregivers pass a selective hiring process that includes drug testing, background and reference checks, health clearance, and skills assessment. We are CHAP accredited, Medicare-certified, and licensed by the New Jersey Department of Health and Senior Services.

OUR SERVICES

- + Live-in and hourly certified home health aide services including personal care services and assistance with household tasks such as meal prep, laundry, and light housekeeping

YOUR CARE. OUR CAUSE.

Care is more than a service for the VNA, it is our cause. It is the purpose that drives everything we do, every life we touch and everyone we serve.

For over 100 years, the VNA of Somerset Hills has remained committed to the cause of delivering personalized in-home and community-based quality healthcare to both our patients and their caregivers. As a post-acute and community based healthcare provider, we support patient recovery and help to extend the time people remain living independently in the comfort and security of their home.

Our skilled clinicians and professionals are a trusted part of the community, delivering valuable health services including in-home nursing and rehabilitation therapies, hospice and palliative care, adult day services, community education and caregiver support.

HELP AT HOME

Peace of mind and peace of heart are at the core of our Private Care services. We help individuals to live independently, safely and comfortably in their home. Reliable and consistent round-the-clock care provides the security and companionship needed to achieve the highest quality of independent living possible.

We are Medicare-certified and CHAP accredited.
